

Strathcona County

Economic Development Week

Economic development promotes economic well-being and quality of life by creating, retaining, and expanding jobs that facilitate growth, enhance wealth, and provide a stable tax base.

Economic developers stimulate and incubate entrepreneurship to help establish the next generation of new businesses, which is the hallmark of Alberta's economy.

Economic development is a collaborative effort - local businesses, industry, government, and economic development professionals - are all essential partners working together to create and sustain economic growth.

Therefore, I, Deputy Mayor Aaron Nelson, do hereby proclaim May 8 to 12, 2023, as Economic Development Week in Strathcona County.

Dated this 2nd day of May, 2023.
